With his dope made out of flour.

For he'll promise anything.

A WORK OF ART

Is the Front Door of the Residence
of Dr. John M. Cartmell

The residence of Dr. John M. Cartmell in
West Third street looks resplendent in its
spring dress of paint. The work was done by
Munzing & Fox, the Dover artists, and it
speaks for itself.

By the way, the front door of the Cartmell
residence is a work of art and is probably the
most elaborate example of the kind in Mays-
ville.

This house was erected by Judge A. M. J.
Cochran, and adjoins the Cochran colonial
mansion now occupied by the Judge and family.

The door mentioned was hand-carved by the
late Frank Eason, and was the work of many
week's patient labor. The top of the door is a
reproduction of the upper front of the building
and shows with perfect art the Mansard roof
and windows.

It is probably the most expensive door in the
county and cost several hundred dollars.

The art plate glass in it is also worthy of
any one's notice.

THE anti-Beckhamites claim that the Gov.'s machine is an infernal machine.

THE era of riot and rottenness in the big cities makes us rejoice that Maysville is not in the big city class. Why is it, that where humanity dwell in big herds there's always sheol to play? After all, a man and woman with a little house and farm, way off in some secluded nook, are happier than a millionaire with money and misery who is a member of the "400," who compose the society of overgrown cities.

EDITOR HENRY WATTERSON is not pleased over the decision of the Court of Appeals turning Mayor BARTH and a hundred and fifty other Democratic frauds and repeaters out of office in the city of Louisville, and thus handing the entire political status of the Falls City and Jefferson county over to the tender political mercies and ambition of one J. C. W. BECKHAM. Editor WATTERSON registers his daily kick as follows—

"If toward 'the idea of November,' as the Governor of the canal zone at Panama would observe, harm comes of this to the state ticket—even to a certain person who so confidently fancies himself booked for a seat in the Senate of the United States—The Courier-Journal may well exclaim with HAMLET, 'let the galled jade wince, our withers are unwrung.'"

The great Editor sees in the much tooted decision of the Democratic Court of Appeals only a boost for BECKHAM; merely a slaughter of 150 good Louisville election rapists to make a Senatorial holiday for Master-Machinist CREPPS.

We are in favor of nolling all the Counts against the Honorable JEEMS HARGIS and permitting him to return to Jackson. There is no chance of convicting him in the Courts, but at Jackson a feudist might put a bullet in his hide, and that would help some.

THE Hon. JOHN CREPPS WICKLIFFE BECKHAM, Governor of Kentucky sat back in the \$5 executive chair in the \$1,200 executive mansion at Frankfort and smiled when he read the following little dispatch concerning the Louisville situation. Here is the mirth-provoker—

"The friends of Governor BECKHAM believe that he can carry Louisville for the Legislative ticket along the reform platform which he has in view.

The saloonkeepers and owners of Sunday theaters have come to the conclusion that they may as well prepare to close their places of business on Sunday, as the Governor is determined to enforce the Sunday observance laws. "All the Preachers in town are praising the Governor, and will urge their congregations to support the Executive at the next election."

The Editor THE PUBLIC LEDGER has always declared that Kentucky's young Governor is the most adroit manipulator of machine politics that ever happened. Our estimate is borne out by the facts. CREPPS always delivers the goods and makes the other fellow appear considerably under the market price of 30 per head for peanut politicians. Last year the Preachers of Kentucky were cussing BECKHAM from the Pennyrite to the Big Sandy; but today they are throwing their hats in the air and declaring he is the real thing. He is—the real master of men.

Atlanta Constitution.

"I have collected six yearly subscriptions," said the Billville editor, "and I don't know whether to take a week off, or just sit around and feel good!"

"That's the trouble money brings," said his wife. "Before you went out collecting you were happy, now you're all unsettled. How much better it is to be poor and happy!"

Thanks to the Knights Templar

For this great offering. The home laxative should be safe

This one is. A good physic should always be kept in the house. Nearly every affliction to which the human body is heir, from a slight cold to a severe attack of liver or kidney trouble, is in a great degree due to improper bowel action and can be more quickly relieved and cured by cleansing the bowels than in any other manner.

The home remedy should be safe for all members of the family who may be required to use it. The average physic, such as the alleged mineral waters, which are nothing more or less than preparations of salts and carbonated water—similar to soda water—candied pellets and pills, will move the bowels, but in doing so they often leave the patient weak. No one should ever take a physic which makes him weak. If such a remedy is continued a terrible habit is created which will make it necessary that a physic be administered before the bowels can be induced to perform their functions.

Dr. Caldwell's Syrup Pepsin

is a safe remedy for the home. It is a stomach tonic which gives strength to the entire system and makes it possible for the bowels to act without further aid. SENIOR CLASS

Maysville High School Gives Splendid Entertainment at Washington Opera-house Last Night

The Washington Theater was well filled last evening to witness the entertainment given by the Senior Class of the Maysville High School.

The program was one of the most enjoyable ever rendered by a local company at our beautiful playhouse.

"The New Hamlet," a clever burlesque of "Hamlet" and "Romeo and Juliet" interwoven, was presented in a manner highly creditable to Superintendent D. S. Clinger of the City Schools and the Senior Class of the High School.

The "New Hamlet" was the principal feature of the evening.

Dramatic Personae
The Queen.....Hilda Threlkeld
Lady Montague.....Maude Berry
Hamlet.....William Lurvey
Ophelia.....Carrie Reid
Romeo.....Dwira Kees
Juliet.....Ellen Kirk

There were five of the liveliest kind of acts, interspersed with vocal and instrumental selections, which all went to make an attraction well worth the price of admission and to reflect historic and dramatic credit upon Impressario Clinger, who acted as general manager and theatrical director of the entertainment.

The stage settings and scenery were particularly beautiful and appropriate while the musical numbers by the orchestra were happy and snappy selections.

The program was so full and replete with happy hits and gems of song that our limited space alone precludes complete report in detail!

The songs "Hurrah, for the Schools of Kentucky," chorus; "Hurrah! Hurrah! We've Got You!" the latter by twelve boys and girls; "When Visitors Come 'Round," by eight boys and girls; "San Antonio" by Robert L. Straus; "Upsetting Gravity," by three girls and three boys; and "Fare Thee Well, My Old Kentucky" by twelve girls, were each musical gems which were joys to hear.

The stage furnishings were from Winter's and were highly complimented.

The show was so highly appreciated that the "Senior Class" may decide to repeat the program in a few weeks.

SOCIETY

This afternoon from 3 o'clock to 6, Miss Elizabeth Gordon Gibbons, only daughter of Mrs. Mollie McAttee Gibbon, will give a garden party in honor of her cousin, Miss Mary Buckner Knodler of Augusta.

"A GOVERNOR'S FALL."

It's some time since The Cincinnati Enquirer gave out the above, accompanied by a face with the following script:

"Franklin J. Moses, ex-Governor of South Carolina, sent to prison in Boston for passing a bogus check, and who admitted that he had become a slave to drugs, &c., &c."

I made a clipping of this, filed it away, making this attachment: "My first case of scarlet fever," and thereby hangs a tale, and the tale is this:

I knew Moses in Washington before the Civil War. It never occurred to me that he could become Governor of anything—he never governed himself. But that he could become vernal, no! Certainly not when at his honest best. If going wrong, he wasn't responsible.

We were fellow-boarders, Moses and I, together with many others, among them Miss Katie Chase, daughter of Salmon P. Chase, Senator and Mr. Lincoln's first Secretary of the Treasury, who later became Mrs. Katie Chase Sprague, wife of Senator Sprague, of Rhode Island. The world knows of her.

Moses was on terms with the best of people about. One day he got sick. I was a recent graduate of Georgetown University, his friend, still a Government employe, not in practice, but took charge of him. He had typical scarlet fever, which ran its course and quit when 'twas done; but gave it to all about, among them Miss Katie Chase. At the time it didn't occur to me that I was treating embryonic Governors or social and political autocrats of whatever gender.

Knowing Moses as I did, he may have been unfortunate, but never criminal. A. G. Maysville, Ky., May 27th, 1907.

WILL PROBATED

Document of Late Robert T. Marshall of Fleming County

Flemingsburg Times-Democrat.

The will of R. T. Marshall was probated Monday. By its provisions he appoints his wife Executrix and requests her to surrender her interest in about \$32,000 insurance, and provides for the sale of his personal property and about 620 acres of his land, and also for the collection of some \$6,000 or \$7,000, which is due him from various sources.

Out of this fund of \$70,000 or \$80,000, he directs his debts paid and the remainder invested in bonds as a trust fund for the support of his wife and children. Under the provisions of his will he leaves to his wife and children some 500 acres of land with its improvements and the trust fund above mentioned.

Among other provisions are the following: H. B. Norwood, owner of one-half interest in a number of horses on the farm, is directed to close up said partnership business for the best interest of himself and the estate of the decedent; T. S. Andrews and W. W. Ball are named as advisers to his widow, both in the settlement of the estate and in the management of the trust fund, and provides that they be paid \$500 each for their assistance. He names B. S. Grannis as Attorney for the settlement of his estate. He directs that the trust fund, left to his wife, be deposited in equal amounts with the Deposit Bank of Pearce, Fant & Company, and The First National Bank of Maysville. He accepts an option to buy his sister, Lizzie Ambler's interest in his mother's dower at \$4,000, which option was given in the will of his father, Charles Marshall. He provides that his wife may, of the principal of the trust fund, mentioned in said will, expend as much as \$1,000 for the education of the children. He makes explanation of a number of matters of business debts and credits, owing by him and due him.

The will is quite a lengthy one and bears date April 18th, 1907, with codicil dated April 22d,

and another April 24th. It is written in his own hand and is sixteen pages in length. The widow, on Monday, renounced her right to qualify under said will, and, on Wednesday, the Court appointed Logan M. and John Marshall of Sardin, Mason county, Kentucky, Administrators of said estate. The gentlemen mentioned are active, young business men, are cousins of R. T. Marshall, and creditors of said estate, and are entirely acceptable to all parties in interest.

It is understood that Mrs. Marshall will renounce the provisions of the will and will get about \$16,000 life insurance and the exemptions allowed her by law.

The estate being very much involved, it is thought the unsecured creditors will not get very much out of their claims. But so far we are unable to give any definite figures. Of course the creditors whose claims are secured by mortgage are probably all safe. The deeply indebted condition of Mr. Marshall was a surprise to the public generally.

LITTLE ACTRESS

Presented With a Monster "Teddy" Bear.

Petite Lee Wood, the famous little soubrette, was presented with a monster white "Teddy" Bear by several of her friends now in New York City.

All the way from New York to Columbus, O., "Teddy" traveled alone carefully packed in a large box.

"Teddy" stands 4 feet high and is the pride of his little mistress, who named him "Teddy Beautiful."

Miss Wood is not a stranger in this city, owing to the fact she is the wife of Jimmie Newell, Maysville's superb actor and dancing comedian.

The little actress is the proud possessor of a whole menagerie of "Teddy" Bears, but "Teddy Beautiful" is now the "King."

The growth of the rubber trade of Ceylon has been phenomenal. The total of Ceylon-grown rubber was 168,247 pounds in 1905, which rose to 327,025 pounds in 1906.

Among birds there are few better fighters than a goose, or a gander more particularly. The ragged white Russian geese bite ferociously. It is no mere peck with them. They bite and hang on with all the tenacity of a bulldog.

SEVENTY MILLIONS

The Fiscal Year Surplus Will Be—Republican Protection Brings Prosperity.

As the end of the Government's fiscal year approaches the size of the treasury surplus becomes fairly astounding.

With less than two weeks remaining of the eleven months, the receipts over the expenditures are slightly short of sixty-two million dollars as compared with less than four millions at the same time last year.

It is expected that the surplus will reach seventy millions by the close of the fiscal year.

Contrast these figures with the bond issues of the Cleveland regime?

The man who wants the present tariff schedule revised can only complain that he can't stand prosperity and is too ignorant to know what to do with a surplus.

To See How Baseball at Night is Played—Novel Attraction

The next aggregation to tackle the Maysville team is the Cherokee Indians, who are due here June 11th for two games—afternoon and night. Many inquiries have been made regarding the night game and how it is played.

In addition to the nearby electric lights, the grounds will be brilliantly lighted by sixty arc lamps furnished by the plant of the famous Indian team. A baseball of one inch larger in diameter is used; the base lines are drawn one and one-half feet closer to home plate, with the outfielders playing somewhat closer. With this exception the game is played according to rules and regulations. It has been a great success and drawing card in other cities, and no doubt will be here. The game will be played on the East End ballgrounds. The regulation diamond and baseballs will be used in the afternoon game. The night game is a novel and weird attraction, and you don't want to miss it.

CONFEDERATE MEMORIAL

Day is Next Monday—Services at Cemetery—Entire South Will Do Homage to the Lost Cause

The entire South will observe next Monday, June 3d as "Confederate Memorial Day," and throughout the late "Southern Confederacy," the day will be reverently and fervently observed.

The Dr. Basil C. Duke Chapter, U. D. C. of this city will honor the day with very simple services at the Maysville Cemetery, at 10 a. m.

All friends of the Cause are cordially invited to be present on that occasion.

The whole South will pay tribute to Jefferson Davis, President of the Confederacy, next Monday afternoon, when the monument to the Confederate leader is unveiled by his daughter, Mrs. Margaret Howell Jefferson Hayes, at Richmond, Va.

The unveiling will take place at 2 p. m. Monday, and will be the culmination of the reunion now in session there.

General Stephen D. Lee, commanding the Confederate Veterans, has issued a general order requesting that throughout the entire South, for the five minutes from 2 to 2:05 p. m. Monday, all railroads stop running, all mills and factories suspend operations, all manual labor cease and that all "Confederate soldiers in the United States and other portions of the world, their wives and children, every man, woman and child of our beloved Southland, capitalists and laborers alike, reverently with bared and bowed heads, unite to do homage to the fidelity and ability of our immortal leader. There shall we honor the cause for which he vicariously suffered, the lofty patriotism of the men in the ranks of our armies and the noble women of the Confederacy."

The general order continues: "Such action will present a spectacle unique in the annals of history; will be an object lesson to the rising generation, as far-reaching as beneficial and will cause the people of other countries to admire and honor the constancy and devotion of men to principles, for which they fought against overwhelming odds, with a gallant, unexcelled in the records of war."

Assurances have been received showing that there will be an observance of the order not only in the South, but in other parts of the country.

TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation

For months Maysville readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. Not another remedy ever produced such convincing proof of merit. A. W. McClanahan of A. W. and B. P. McClanahan, grocers, at 121 Second street, Maysville, Ky., says:

"I can endorse Doan's Kidney Pills more heartily today than I did five years ago when I told the Maysville people that this medicine had cured me of severe kidney trouble and backache that had bothered me for twenty years and seemed to be growing worse all the time. I repeat that I can more confidently recommend Doan's Kidney Pills today than I did in that testimonial because my cure has been permanent and I have had no kidney trouble for nearly five years. As proof that I am a firm believer in Doan's Kidney Pills I will be only too pleased to reiterate the above to anyone who may inquire."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
